29. Are you able to attend Saturday / Sunday adoption events? Most of our events take place on Saturdays from 12-4:00 at Petsmart (Alternating Petsmart locations; Houston & Missouri City). You are not required to stay but you are required to at least drop off/pick up.
30. Are you willing to keep a constant and open flow of communication with the rescue? It is very important for the rescue to know how the animal is progressing and what needs to be met, and also to receive photos in order to promote the animal.

It is very important for a foster to understand that a given time cannot be predicted. It is a foster's job to care for, love, and train an animal in the process of the adoption. You may not physically or emotionally hurt the animal in the process. If you feel you cannot handle the dog properly, then Jamie's Animal Rescue must be contacted immediately. Fosters SAVE LIVES. I have adopted out almost 550 animals in the past 7 years, and those lives would not have been given a second chance without the help of fosters.

If you agree to these terms, please return the foster application completed 😊

THANK YOU!
